

# BASSHUNTER

## BIO 2011

2011 has been a year of production for Basshunter. He did a tour in the US and one isummer-tour in Spain and also some other gigs around the world. In between he has been in his studio working hard on his new album, that will be released 2012.

His next single is to be released in 2011, the exact date TBA.

Basshunter released one single 2011 in Sweden called "Fest i hela huset" that reached no:1 on Itunes.
